FIELD TRIP PERMISSION

This completed sheet should be returned to your child's teacher as soon as possible and serve as reference for him/her. It will be in the teacher's classroom and used in emergency situations. Many of our classes plan field trips during the school year. If the place visited is nearby and weather permits, they will walk. When transportation is provided, it is always on a school bus under a teacher's supervision. At the visitation site, children are often clustered into smaller groups with parent chaperones. If you approve of what has been described, will you kindly sign below and return this slip to your child's teacher. Your permission to take such trips will be valid for the school year **2024-2025** only.

I give permission for my child to go on field trips under teacher guided supervision and parent cluster group supervision during the school year **2024-2025**.
