Dear Brockport High School Families:

The high school staff and I would like to invite you to the annual Open House on **Thursday, September 7, 2023, from 6 p.m. - 7:30 p.m.** This year, our teaching staff will be available throughout the evening for you to stop by their classrooms at your convenience. You may want to have your student walk you through their schedule prior to this event.

To obtain a copy of your student’s schedule, you have 3 options:

- Have your child sit with you throughout the Open House night so that they can help you navigate from teacher to teacher, period to period.
- Use the attached blank schedule in this document and have your student fill it out with each period containing the appropriate teacher’s name and subject.
- Obtain your student’s schedule through the Parent Student Portal in Infinite Campus.

This evening will allow you to meet with your student’s teachers, obtain information about our academic programs, and learn about your student’s class expectations. Please keep in mind that Open House is not an evening for individual parent conferences. If you have a specific question or concern about your student, please contact the teacher or your student’s counselor via phone or email.

Administrators will be visible throughout the evening and available to answer any general questions. Counselors will be located in the library for those parents who would like to learn more about timelines for college applications as well as our grade level counseling curriculum.

I hope you will join us this evening as our annual Open House provides an opportunity to receive class information and to meet the faculty who will be supporting your child throughout the year.

On behalf of the faculty and administration, I look forward to seeing you then.
