The Scott Delforte Foundation offers scholarships to individuals wishing to participate in their school's club with special consideration and weight given on a needs basis. The scholarship covers the cost of a Student Day Snowsports Club Pass and equipment rental. The deadline for applying is October 20. The scholarship application is available online at: BristolMountain.com/DelforteApp/

If you are purchasing/have already purchased a Season Pass (not offered through the club), you will need to register for the Brockport Ski and Snowboard Club through the Bristol Mountain Online Store. You will need to select the "Passholder Registration" item after you login using the appropriate school credentials. This allows us to add your name to the bus rosters and helps determine the number of chaperones needed.

The Member eCommerce Guidelines for completing the online purchases can be found on the Brockport Ski and Snowboard Club webpage. Usernames and passwords are listed below and are also listed on the club website under the advisors' names. Be sure to use the correct login credentials that correspond with the building your child attends. This creates building-specific rosters, determines where your child's lift pass is mailed, and determines the number of chaperones each club is allotted ms23M (per Bristol Mountain).

Lastly, please complete the **Student Information/Medical Authorization Form** (located on the Brockport Ski and Snowboard Club website and for OMS students under *Files* on the OMS Ski & Snowboard Club Team) and return it to the appropriate advisor as soon as possible.
