During the December 17 Board of Education meeting, the following were honored as Brockport's Best.

Four high school students: **Todd Sevor, Tom Yeager, Jordan McNees** and **Kaitlyn Kennedy** were honored for their contribution to the Bullying Prevention event at the Seymour Library on November 23. Not only did these students take time to prepare, but they also dedicated four hours of their time on a Saturday to share important prevention messages. Barclay Assistant Principal, Scott Morrison and Student Assistance Program Coordinator Karen Breslawski were also thanked for their participation in the event.

Former Transportation Director **Joe LaMarca** was recognized for his focus on safety and transportation efficiency during his tenure at Brockport. During his 22 years of service, he helped establish Board Policy requiring mandatory seat belt use by all students. Each year, Joe has helped make operations more efficient while maintaining high safety standards which exceed New York State requirements. He was also instrumental in his planning efforts for the Transportation Facility on Owens Road. We wish him the best in his new role at the Greece Central School District.

## Barclay receives mini-grant from RCSS

*Barclay School receives a \$200 mini-grant from Rochester Council of Scientific Societies' James Wenskus. Librarian Suzanne Shearman's proposal for outfitting a new second grade laboratory was recognized for its innovation and long-term educational impact. Mrs. Shearman was joined at the ceremony on January 9 by Principal Rhonda Steffen, Assistant Principal Scott Morrison and a group of enthusiastic students during their Citizens' of the Month ceremony.*

## Inclusive Education coffee chats

Families of students with disabilities have an opportunity to collaborate with other parents, staff and community members during monthly coffee chats sponsored by the Inclusive Education Office.

During the **March 12** meeting, families are invited to attend a special presentation with a representative from OPWDD (Office for People With Developmental Disabilities) to learn about the application and eligibility process and the Medicaid Waiver/Home and Community Based Service Waiver.

The Brockport CSD is committed to further developing a supportive outlet for parents to use to access information regarding available resources. Save the dates for future Coffee Chats (April 9 and May 14). Meetings are held from 7-8 pm in the Technology and Training Center (former bus garage).
